

VISIT RESERVATION FOR SALTO DEL USERO NATURAL SITE 2025

From **July 1st to October 12th, 2025**, access to the Salto del Usero Natural Site will be regulated through a control system managed by the active tourism company **Naturaventura El Romero**. This service will be supported, among others, by **Civil Protection and the Bullas Local Police**.

Between **July 1st and September 14th**, daily access control will be in place. The **maximum capacity allowed** at the site is **70 people per time slot**. Two available time slots can be booked:

- **Morning slot:** 10:00 AM to 2:00 PM
(on Saturdays and Sundays in July and August, it starts at 9:00 AM)
- **Afternoon slot:** 4:00 PM to 8:00 PM

Environmental and geological interpretation tours will be offered daily at **10:00 AM**, lasting approximately one hour and led by expert guides. **Advance registration is required**.

Visitors must **leave the site 10 minutes before the end of their time slot** in order to be at the control point on time.

From **September 15th to October 12th**, the same rules apply, but **access control will only be in effect on weekends**.
